Being an Act to regulate the national payment system and to provide for other related matters

Enacted by the President and Members of Parliament in this present Parliament assembled.

Part I – Preliminary

1. Interpretation

In this Act, unless the context otherwise requires—

"**account information service**" means an online service to provide consolidated information on one or more payment accounts held by the payment service user with either another payment service provider or with more than one payment service provider;

"**acquiring of payment transactions**" means a payment service provided by a payment service provider contracting with a payee (usually a merchant) to accept and process payment transactions, which results in a transfer of funds to the payee;

"**agent**" means a person to whom some or all aspects of a payment service have been delegated by a payment service provider and being legally authorized to act on behalf of such payment service provider as its principal against third parties;

"**Bank**" means a body corporate licensed by the Central Bank to carry on banking business in accordance with the Banking Act 2019;

"**Central Bank**" means the Bank of Sierra Leone;

"**central counter-party**" means an entity that interposes itself between counterparties to contracts traded in one or more financial markets, becoming the buyer to every seller and the seller to every buyer and thereby ensuring the performance of open contracts;

"**central securities depository**" means an entity that provides securities accounts, central safekeeping services, and asset services, which may include the administration of corporate actions and redemptions, and plays an important role in helping to ensure the integrity of securities issues (that is, ensure that securities are not accidentally or fraudulently created or destroyed or their details changed);

"**cheque in the electronic form**" means a cheque which contains digital representation on the front and back of a paper cheque (cheque image), and is generated, written and signed in a secure system ensuring minimum safety standards as prescribed by the relevant authorities;

"**clearing**" means the process of transmitting, reconciling or confirming funds or securities transfer instructions prior to settlement and includes the netting of instructions and the establishment of final positions for settlement;

"**clearing house**" means any multilateral system or arrangement that provides its participants with clearing services for payment instructions, securities transactions, derivatives transactions, and in some cases, settlement services;

"clearing System" means a set of procedures whereby participants present and exchange information relating to the transfer of funds or securities to other participants through a centralized system or at a single location and includes mechanisms for the calculation of participants' positions on a bilateral or multilateral basis with a view to facilitating the settlement of their obligations;

"close-out netting" means a netting arrangement under which, following the occurrence of certain events specified by the parties to the arrangement, all or any of the transactions referred to in the netting arrangement may be terminated, and when terminated the termination value becomes due and payable;

"collateral" means an asset that is delivered by the collateral provider to secure an obligation to the collateral taker and collateral arrangements may take different legal forms;

"credit card" means a card or other device that authorizes the holder to charge goods or services to the account of an account holder on credit basis subject to repayment over a period of time;

"credit transfer" means the series of transfers, beginning with the payer's payment order, made for the purpose of making payment to the payee and includes any payment order issued by the payer's Bank or payment service provider, or an intermediary intended to carry out the payer's payment order;

"debit card" means a card or an access method by which money is automatically deducted from an account to pay for goods or services purchased;

"debit transfer" means the series of transfers, initiated by the payee, and based on the payer's consent given to the payee, to the payee payment service provider or to the payer own payment service provider and includes any payment order issued by the payee's bank or payment service provider, or an intermediary intended to carry out the payee's order;

"direct participant" means a participant in a system who is responsible for the settlement of its own payments, those of its consumers and those of indirect participants on whose behalf it is settling;

"electronic money" means monetary value as represented by a claim on its issuer, that is electronically stored in an instrument or device, issued against receipt of funds of an amount not lesser in value than the monetary value issued, accepted as a means of payment by persons other than the issuer, to be withdrawn in cash or any equivalent of cash as established by law, and issued in accordance with this Act;

"electronic presentment of cheques" means the electronic transmission, by an institution authorized to draw a cheque, of an image and payment information of the cheque, to the payee institution on whom it is drawn;

"financial Institution" means an institution subject to regulation and supervision by the Central Bank under the Banking Act 2019 or any other law;

"gross settlement" means the settlement of funds or other obligations' instructions that occurs individually on an instruction by instruction basis;

"indirect participant" means a participant in a system that settles its obligations in the system through a direct participant, which performs this activity on its behalf;

"issuing of payment instruments" means a payment service by a payment service provider contracting to provide a payer with a payment instrument to execute the payer's payment transactions;

"multilateral netting" means an arrangement among three or more parties to net their obligations;

"National Payment System" includes the whole of the services that are associated to sending, receiving and processing of orders of payment or transfer of money in domestic or foreign currencies, issuance and management of payment instruments, payment, clearing and settlement systems, processing securities, arrangements and procedures associated to those systems and services;

"net settlement" means a settlement procedure in which final settlement occurs on a net basis at one or more discrete, pre-specified times during the processing day;

"net termination value" means the net amount obtained after setting off or otherwise netting the obligations between the parties in accordance with settlement rules issued by the Central Bank or a netting arrangement entered into between the parties;

"netting arrangement" means an arrangement in writing to convert several claims or obligations into one net claim or one net obligation and includes bilateral netting, multilateral netting, netting by novation, close-cut netting, payments netting or a combination of any of these;

"netting by novation" means a netting arrangement between the parties to a series of transactions where an account of amounts due is kept and the rights and obligations of the parties in respect of the account are continuously extinguished and replaced by a new single amount payable by one party to the other;

"netting" means the determination of the net payment obligations or the determination of the net termination value of settlement obligations between two or more system participants within a system;

"outsourcing" means an arrangement of any form between a payment service provider or a payment system operator and a service provider by which that service provider performs a process, a service or an activity that would otherwise be undertaken by the payment service provider or operator itself;

"payment system operator" (also "System Operator" or "Operator") means a person responsible for the operation of a payment system and ensures the operation of the payment system in accordance with this Act and implementing regulations;

"participant" means a duly licensed payment service provider that is recognized in the rules of a system as eligible to exchange, clear and settle through the system with other participants either directly or indirectly;

"payment aggregator" means the intermediary collecting funds received from customers for payment to merchants using any electronic or online payment mode, for goods and services availed by them and subsequently facilitate the transfer of these funds to the merchants in final settlement of the obligations of the paying customers;

"payment card" means any card or other device, including a code or any other means of access to an account, that may be used from time to time to obtain money or to make payment, and includes a debit, credit and stored-value card;

"payment gateway" means a payment service facilitating the authorization of card or direct payments processing for e-businesses, online retailers, or the like;

"payment initiation services" (PIS) means all services facilitating the authorization or validation of an electronic fund transfer, a card payment or otherwise facilitating the execution of electronic transactions;

"payment instrument" means any instrument, whether tangible or intangible, that enables a person to obtain money, goods or services or to otherwise make payment or transfer money;

"payment services provider" means any entity providing payment services;

"payment services" mean services enabling cash deposits and withdrawals, execution of money transfers and payment transactions, issuing of payment Instruments and acquiring of payment transactions, the provision of remittance services, and any other services functional to the transfer of money;

"payment system" (also "System") means any system or arrangement for the processing, clearing or settlement of funds, but excludes—

- (a) an in-house system operated by a person solely for its own administrative purposes that does not transfer, clear or settle funds for third parties;
- (b) such other systems or arrangements as may be prescribed by law;

"payment terminal" means a device or channel which interfaces with payment cards or any other payment instruments to make electronic fund transfers;

"**payment transaction**" means an act, initiated by a payer on his behalf or by a payee, placing, transferring or withdrawing funds, irrespective of any underlying obligations between the payer and the payee;

"**real-time gross settlement**" (RTGS) means a settlement that effects final settlement of funds, payment obligations and book entry of securities and instruments on a real-time transaction-by-transaction basis as these occur during operating hours in a processing day;

"**remittance services**" means a financial service that accepts cash, cheques, other payment instruments (including E-money instruments) in one location and pays a corresponding sum in cash or other form to a beneficiary in another location by means of a communication, a message, transfer or through a clearing network to which the money transfer service belongs;

"**settlement agent**" means a company providing accounts for the participants of a system to hold funds and to settle transactions between participants in the system;

"**settlement rules**" means the rules that provide the basis upon which payment obligations are calculated, netted or settled and includes rules for the taking of action in the event that a participant is unable or likely to become unable to meet its obligations to a payment system, clearing house, central Counter-party or other participants;

"**settlement system**" means a system established and operated by the Central Bank or any other system for the discharge of payment obligations as well as of settlement of obligations in relation to securities;

"**settlement**" means the act of discharging obligations by transferring funds or securities between two or more parties;

"**settlement finality**" means a settlement that is irrevocable and unconditional;

"**system**" includes a payment, clearing and settlement system;

"**systemic risk**" means the risk that relates to the inability of a participant to meet its obligations in a system as they become due or a disruption to the system that could, for whatever reason, cause other participants in the system to be unable to meet their obligations as they become due;

"**truncation**" means a settlement process in which the physical transfer of a paper-based payment instrument is substituted by the exchange and storage of its image and the corresponding electronic information;

"**truncated cheque**" means a cheque which is truncated during the course of a clearing cycle, either by the clearing house or by the Central Bank whether paying or receiving payment, immediately on generation of an electronic image for transmission, substituting the further physical movement of the cheque in writing.

 - (c) support the working of the Central Bank by promoting where appropriate contractual and other general measures by the market
- (6) The Central Bank shall by statutory instrument make regulations on the establishment relating to the Committee which shall include without limitation—
- (a) the charter of the Committee;
 - (b) sources of funds to operate the Committee;
 - (c) any other matter that is deemed necessary for the efficient function of the Committee.

Part III – Licensing

6. Requirements for a licence

- (1) No person shall provide payment services or operate a System unless such person is duly licensed by the Central Bank.
- (2) To obtain a license from the Central Bank, an applicant shall maintain capital adequacy at levels specified by the Central Bank.
- (3) The capital level shall be determined by the type of service, average value of payments, aggregate value and other factors as the Central Bank deems necessary.
- (4) An applicant shall prove that the following conditions are met—
 - (a) the service of providing electronic money
 - (b) electronic money is issued in exchange for the equivalent of Sierra Leone Leones or highly liquid assets acceptable by the Central Bank;
 - (c) submit to the Central Bank periodic financial statement containing statistics on e-money loaded and redeemed values;
 - (d) submit to the Central Bank sufficient and reliable information to monitor and control the quantity and velocity of electronic money supply in the country;

- (e) clearing and settlement mechanisms, facilitate rapid provision of final settlement after a payment instruction has been initiated in the banking system, according to time limits that the Central Bank may establish from time to time;
- (f) issuers redeem electronic money value in the Central Bank at par, upon request;
- (g) the management of the underlying float and redemption of electronic money value by the issuer to the holder is clearly defined.

7. Registration

- (1) Where the relevant service does not involve specific risks for the market, the Central Bank may substitute the requirement of licensing with that of registration.
- (2) Whether a service is licensed or registered it shall not generate discrimination among payment services providers offering the same services

8. Requirements of banks and financial institutions

Banks and financial institutions providing payment services under any law shall—

- (a) not be required to obtain a new licence to provide payment services or issue new payment instruments under this Act;
- (b) be required to comply with operational, reporting and disclosure requirements as may be set by the Central Bank;
- (c) be subject to oversight requirements for licensed entities under this Act;
- (d) be required to obtain a license for the operation of systems.

9. Transferability

A licence or any right acquired under this Act whether wholly or partly, shall not be transferable except where such transfer is in accordance with stipulations prescribed by the Central Bank.

10. Renewal

A licence issued under this Act shall be renewed in any manner prescribed by regulations made under this Act.

11. Amendment

- (1) The Central Bank may amend any condition of any licence issued under this Act by way of alteration, substitution, addition, omission or other modification.
- (2) Where the Central Bank directs an amendment in the conditions of a licence, it shall serve a notice on the licensee informing him of the reasons for the proposed amendment, and providing the licensee with [15] days within which to provide its comments on the proposed change.
- (3) Upon receipt of the comments under subsection (2) if any, the Central Bank shall take the comments into consideration in confirming or modifying the proposed amendment.
- (4) The Central Bank shall, upon application of a licensee, amend any condition of a license if it considers the proposed amendment to be fit and proper.

12. Suspension or cancellation

- (1) Where the Central Bank has grounds for the cancellation or suspension of a licence issued under this Act it shall give notice to the licensee to show cause why the licence should not be withdrawn.

- (2) Where the licensee is unable to persuade the Central Bank or fails to respond to the notice under sub-section (1), the Central Bank shall proceed to cancel or suspend the licence.
- (3) The Central Bank may restore the licence when the licensee remedies the situation that gave cause for the cancellation or suspension.

Part IV – Ongoing oversight

13. General and individual measures

- (1) The Central Bank shall at any time adopt general standards and criteria for the conduct of measures payment services activities or the operation of systems either generally addressing the totality of entities or a specific category.
- (2) The Central Bank shall at any time issue directives to licensed payment services providers or operators relating to their governance, management, operations, relations with customers, and relations with systems; and any other matter for the efficient administration of this Act.
- (3) At least 15 days prior to their effectiveness, measures issued by the Central Bank shall be published in the Gazette or the bank's website and shall take effect on the date of such publication or on such later date as such measure shall specify.
- (4) The Central Bank shall, where it is of the opinion that it is necessary for the purposes of carrying out its functions under this Act, examine, with or without any prior written notice, the premises, offices in or outside the country, apparatus, equipment, machinery, books or other documents, accounts or transactions of a payment system participant, an authorized operator or issuer of payment Instruments.

14. Designation of systems

- (1) The Central Bank shall designate systemically important payment systems and establish additional requirements for a systemically important system or its operator and participants
- (2) The designation referred to under subsection (1) shall be based primarily on the following—
 - (a) the role played in the National Payments System and financial markets;
 - (b) the potential economic effects in the event of a failure;
 - (c) the potential to undermine public confidence in the National Payments System and in the domestic currency in general;
 - (d) volume and value of transactions processed.
- (3) This section shall not affect by any means the power of the Central Bank to oversee non systemically important systems as established by this Act.
- (4) Any system which is designated as systemically important shall observe the CPM1-IOSCO Principles for Financial Markets Infrastructures (PFMIs) and any other applicable international standards recognized by the Central Bank

15. Rules of systems

- (1) An operator of a system shall establish written rules for the following—
 - (a) governance, management and operations of the system that the operator runs;
 - (b) management of liquidity, credit and settlement risk;
 - (c) the time when a payment instruction and settlement is final,

- (d) corporate governance;
 - (e) access to system;
 - (f) contingency arrangements and operational risk;
 - (g) rights and liabilities of participants and the system operator.
- (2) The rules shall be in compliance with the requirements of this Act.
- (3) The rules of the system shall establish that any dispute between payment system operators and participants concerning any matter arising under this Act which cannot be resolved amicably shall be first referred to the Central Bank, and only following persisting disagreement be referred to arbitration or relevant courts.
- (4) The Central Bank shall have the authority to modify or revoke any rules of the operator established under this section, where it considers it to be appropriate having regard to—
- (a) whether the variation or revocation would be in the public interest;
 - (b) the interests of the current participants in the system;
 - (c) the interests of persons who, in the future, may desire access to the system; and
 - (d) any other matters the Central Bank considers relevant.
- (5) No operator of a system shall cause any change in the system which would affect the structure, operation or administration of the system unless—
- (a) the Central Bank approves; and
 - (b) subject to sub-section (6), notice of not less than thirty days is given to the participants of the system after the approval of the Central Bank.
- (6) The Central Bank may, in the interest of monetary policy, financial stability or the public interest permit the operator to make any changes to a licensed system without giving notice to the system participants under paragraph (b) of sub-section (5) or requiring the operator to give notice for a period longer than [30] days.
- (7) The Central Bank shall issue directives in respect of all or any of the matters specified in this section and in the event of a conflict between any rule, instruction, direction or agreement and any directives made in that behalf under this Act, such directives shall prevail.

16. Access to systems

- (1) The rules on access to systems referred to under paragraph (e) of subsection (1) of [section 15](#) shall be objective, non-discriminatory and proportionate and those rules shall not inhibit access more than is necessary to safeguard against specific risks and operation stability of the payment system.
- (2) The specific risks referred to under subsection (1) includes—
- (a) settlement risk;
 - (b) operational risk; and
 - (c) business risk.

17. Outsourcing of activities

- (1) Where an operator or a payment service provider intends to outsource operational functions it shall inform the Central Bank accordingly.

- (2) Outsourcing of important operational functions shall not be undertaken in a way as to impair materially the quality of the operator or provider's internal control and the ability of the Central Bank to monitor their compliance with all obligations laid down in this Act.
- (3) For the purposes of sub-section (2) an operational function shall be regarded as important if a defect or failure in its performance would materially impair the continuing compliance of an operator or service provider with the requirements of its license, or its financial performance, or the soundness or the continuity of its services.
- (4) The Central Bank shall ensure that when an operator or provider of a service outsources important operational functions, it shall comply with the following conditions—
 - (a) the outsourcing shall not result in the delegation by senior management of its responsibility;
 - (b) the relationship and obligations of the issuer towards the users of any relevant payment instrument shall not be altered;
 - (c) the conditions with which the operator or the payment service provider is to comply in order to be licensed and remain so in accordance with this Act shall not be undermined; and
 - (d) none of the other conditions subject to which the licence was granted shall be removed or modified.

18. Use of agents

- (1) Where a person intends to provide payment services to customers through agents it shall apply to the Central Bank for authorization.
- (2) The Central Bank may grant an authorization based on the following—
 - (a) the general business model used, indicating scope of functions of agents or categories and risk mitigation schemes by the payment service provider, by submission of the general contractual terms applying to the agents and indicating duties by agents towards the clients;
 - (b) a description of the internal control mechanisms to be used by agents in order to comply with the obligations in relation to money laundering and terrorist financing; and
 - (c) the management structures of agents to be used in providing the services and evidence that directors and persons responsible for management are fit and proper persons.
- (3) When the Central Bank receives the application in accordance with subsection (1), it shall consider the scheme and request for amendments if it is not satisfied with the prospected model.
- (4) No agent shall carry out any activities under the agency agreements unless the Central Bank grants the authorization.
- (5) The principal shall ensure that agents acting on its behalf inform customers of their status as agents of a specific principal.

19. Liability

- (1) Where operators or payment services providers rely on third parties for the performance of operational functions, either under agency or outsourcing, they shall take reasonable steps to ensure that the requirements of this Act are complied with.
- (2) Operators and payment service providers shall remain fully liable for any acts of their employees, or any agent, branch or entity to which activities are outsourced.

20. Complaints and redress procedures

- (1) A payment services provider shall ensure that the following are complied with—
 - (a) adopt general policies on prompt response to inquiries, complaints, refund demands and disputes;
 - (b) put in place a channel for communication of customer complaints, such as dedicated customer care telephone lines;
 - (c) put in place rapid dispute resolution mechanisms; and
 - (d) provide a complaints redress mechanism, ensuring proper communication of this mechanism to its customers.
- (2) Where a customer believes that the payment service provider does not comply with the provisions of this Act and statutory instruments made under this Act the customer may submit a complaint to the payment service provider.
- (3) The payment services provider shall respond to the complaint referred to in subsection (2) no later than 7 business days after the day of receiving the complaint.
- (4) The payment services provider shall establish an effective complaint procedure for the following—
 - (a) the lodgment of any complaint by a customer; and
 - (b) the investigation and resolution of any complaint by a customer of matters covered by this Act and statutory instruments made under this Act.
- (5) The complaint procedure shall contain information relating to the right of a customer to refer the complaint to the Central Bank, or any other body authorized by the Central Bank, if it is not satisfied with the outcome of its complaint.
- (6) The complaint procedure shall be followed by the customer before the dispute is referred to be resolved in an alternative dispute resolution procedure or before a court.
- (7) Payment services providers shall keep record of all customer complaints and how such complaints are redressed, and send a quarterly report on these to the Central Bank.

21. Data protection and privacy

- (1) Payment service providers shall access, process and retain personal data necessary for providing their payment services, with the explicit consent of the payment service user.
- (2) A payment service provider shall not sell or share any of a customer's information with any third party for any purpose without the explicit consent of the customer.
- (3) Processing of personal data by payment systems and payment service providers shall be permitted when necessary to safeguard the prevention, investigation and detection of payment fraud.
- (4) Providing information to individuals about the processing of personal data and the processing of such personal data and any other processing of personal data for the purposes of this Act shall be carried out in accordance with any law relating to data protection.

22. Anti-money laundering

- (1) Licensed payment service providers and system operators shall meet the requirement and comply with any law relating to anti-money laundering and counter financing of terrorism and any guidelines adopted by the Central Bank and the Financial Intelligence Unit.
- (2) Licensed payment services providers and system operators shall guarantee that any third party acting on their behalf or agents shall comply with relevant requirements.

23. Retention of records

Operators and participants in a system and payment service providers shall retain all records obtained by them during the course of their operation and administration for a period of seven years from the date of the establishment of a record.

24. Access to information and disclosure

- (1) An operator of a system, a system participants and a payment service provider shall provide any information requested by the Central Bank and produce all books, minutes, accounts, cash instruments, securities, vouchers or any documents relating to its business or the business of its affiliates for the inspection of any examiner appointed by the Central Bank at such time and manner the Central Bank or the examiner specifies.
- (2) Information obtained by the Central Bank pursuant to subsection (1) shall not be directly or indirectly disclosed to another person except in the following circumstances—
 - (a) for the purposes of the performance of one of the functions in terms of this Act;
 - (b) where it is necessary to protect the financial integrity, effectiveness or security of the system;
 - (c) where it is made to a recipient who is legally authorized to get such information;
 - (d) when ordered by a court of law; or
 - (e) where it is required for the purpose of meeting obligations which Sierra Leone entered into under international agreements.
- (3) The Central Bank may conduct audits or commission independent auditors to conduct an audit of the accounts, books, documents and other records of an operator of a system and its participants and payment service provider.
- (4) Each entity referred to under subsection (3) shall assist the Central Bank to the extent necessary for the purpose of enabling the Central Bank or its auditors to carry out an audit.

25. Fees and charges

- (1) The Central Bank may impose charges or fees that shall defray its direct and indirect costs incurred in providing its oversight and regulatory services, to operators and participants of systems or payment service providers.
- (2) The Central Bank may also impose charges or fees for providing its operational services and or infrastructure under this Act.

Part V – Settlement, netting and finality of payment
